King Philip

Here we learn:

- To socialize and value each other's company
- To point our lives in the direction we choose
- To assume responsibility and strive for success
- To discover our interests and develop our skills
- To mold our characters and define our standards
- To achieve goals which are significant to each of us as individuals
- To share our work and appreciate others
- To appreciate the generosity of others

But most importantly, here, we learn that our lives are only what we make them. This is the starting point — the place where we prepare to enter the race.

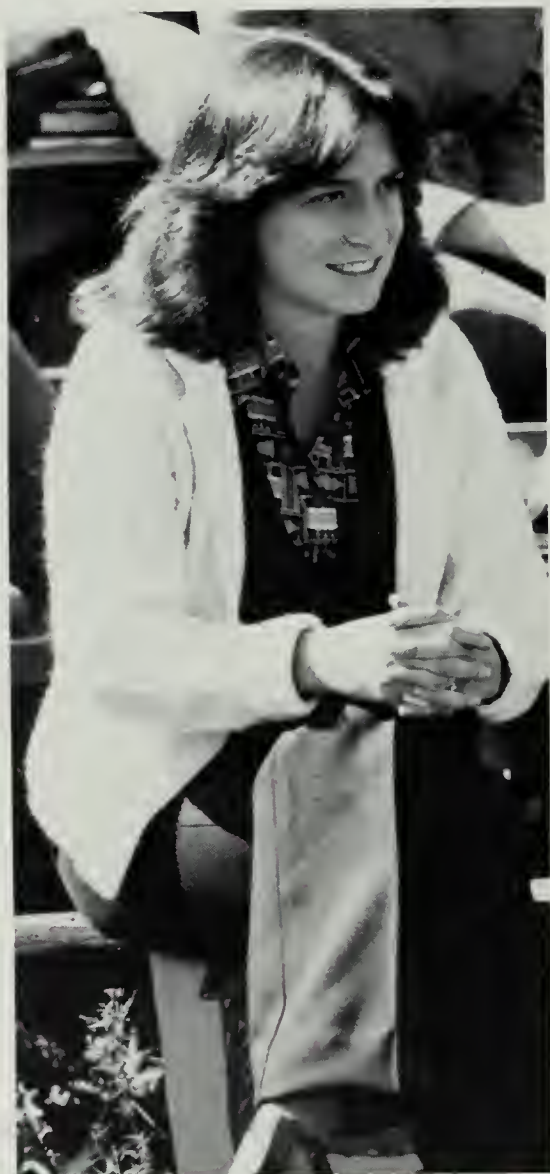

-Lynette Schnorbus

In this year of nineteen hundred and seventy-nine, we, as adults, are confronted with various oppressing problems; most of which cannot be solved by one man alone. Yet, in our own ways, we try to change the world. In a time of rising prices, deflation of the dollar and perpetual discord, we all need to liberate ourselves of these problems and enjoy a leisurely hour or two. To inspire this relaxation we, the 1979 CHIEFTAIN staff, would like you to sit down with a friend or two and read your book. Those of you who are depicted in this book are those who became involved in 1979: club members, advisors, athletes, coaches, fans and people who just got involved in the spirit of King Philip. For those of you who worked for it, here it is-your book. Enjoy.

other's company**

Spirit Week

On Monday of Spirit Week hats of all shapes and sizes appeared thruout the school. On Tuesday T-shirts were worn by all. Wednesday brought the real spirit of K.P. out via Spirit Day. Zeus & Zorro, Matt Dillon & Dydee man all graced the halls of K.P. on Thursday. Green and Gold Day wrapped up an exciting week. All thoughts then turned to the BIG day-Homecoming!

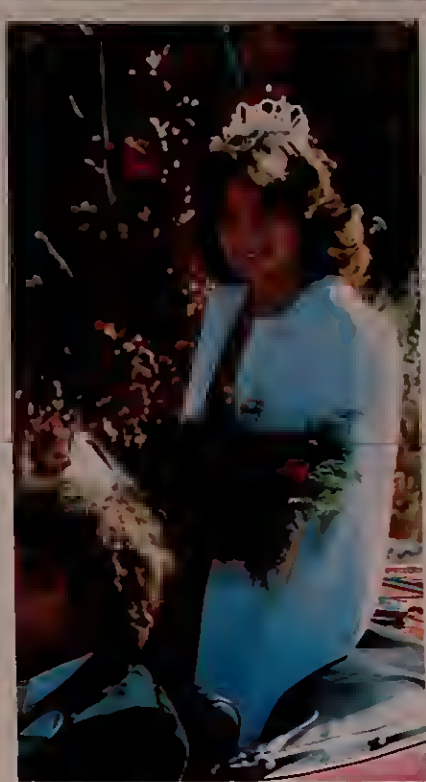

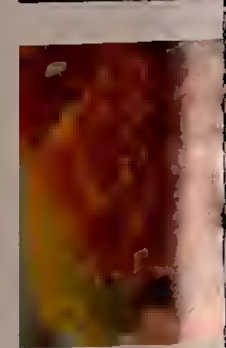

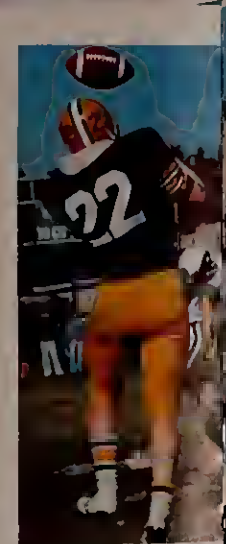

Floats

Memories of crepe-paper flowers, elmers glue, and the stinging cold are bound to come to mind when thinking of the floats. But the memories of class unity and spirit by far overshadow all other memories.

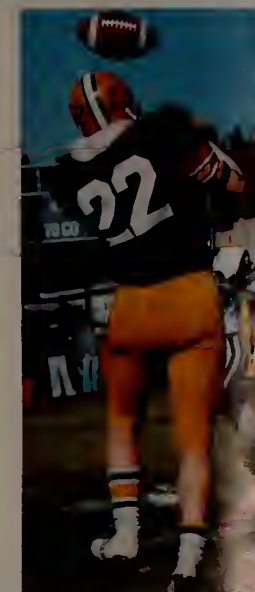

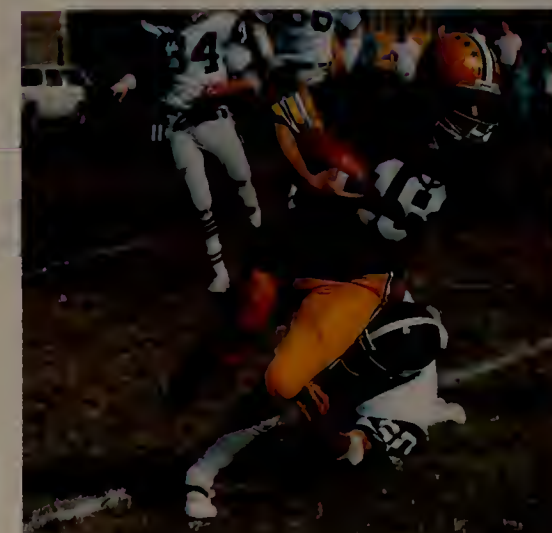

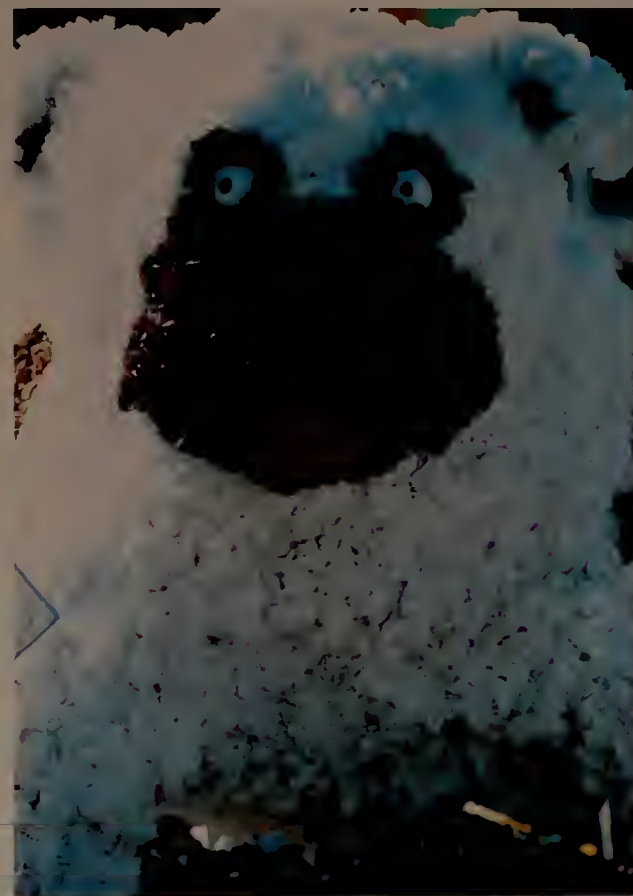

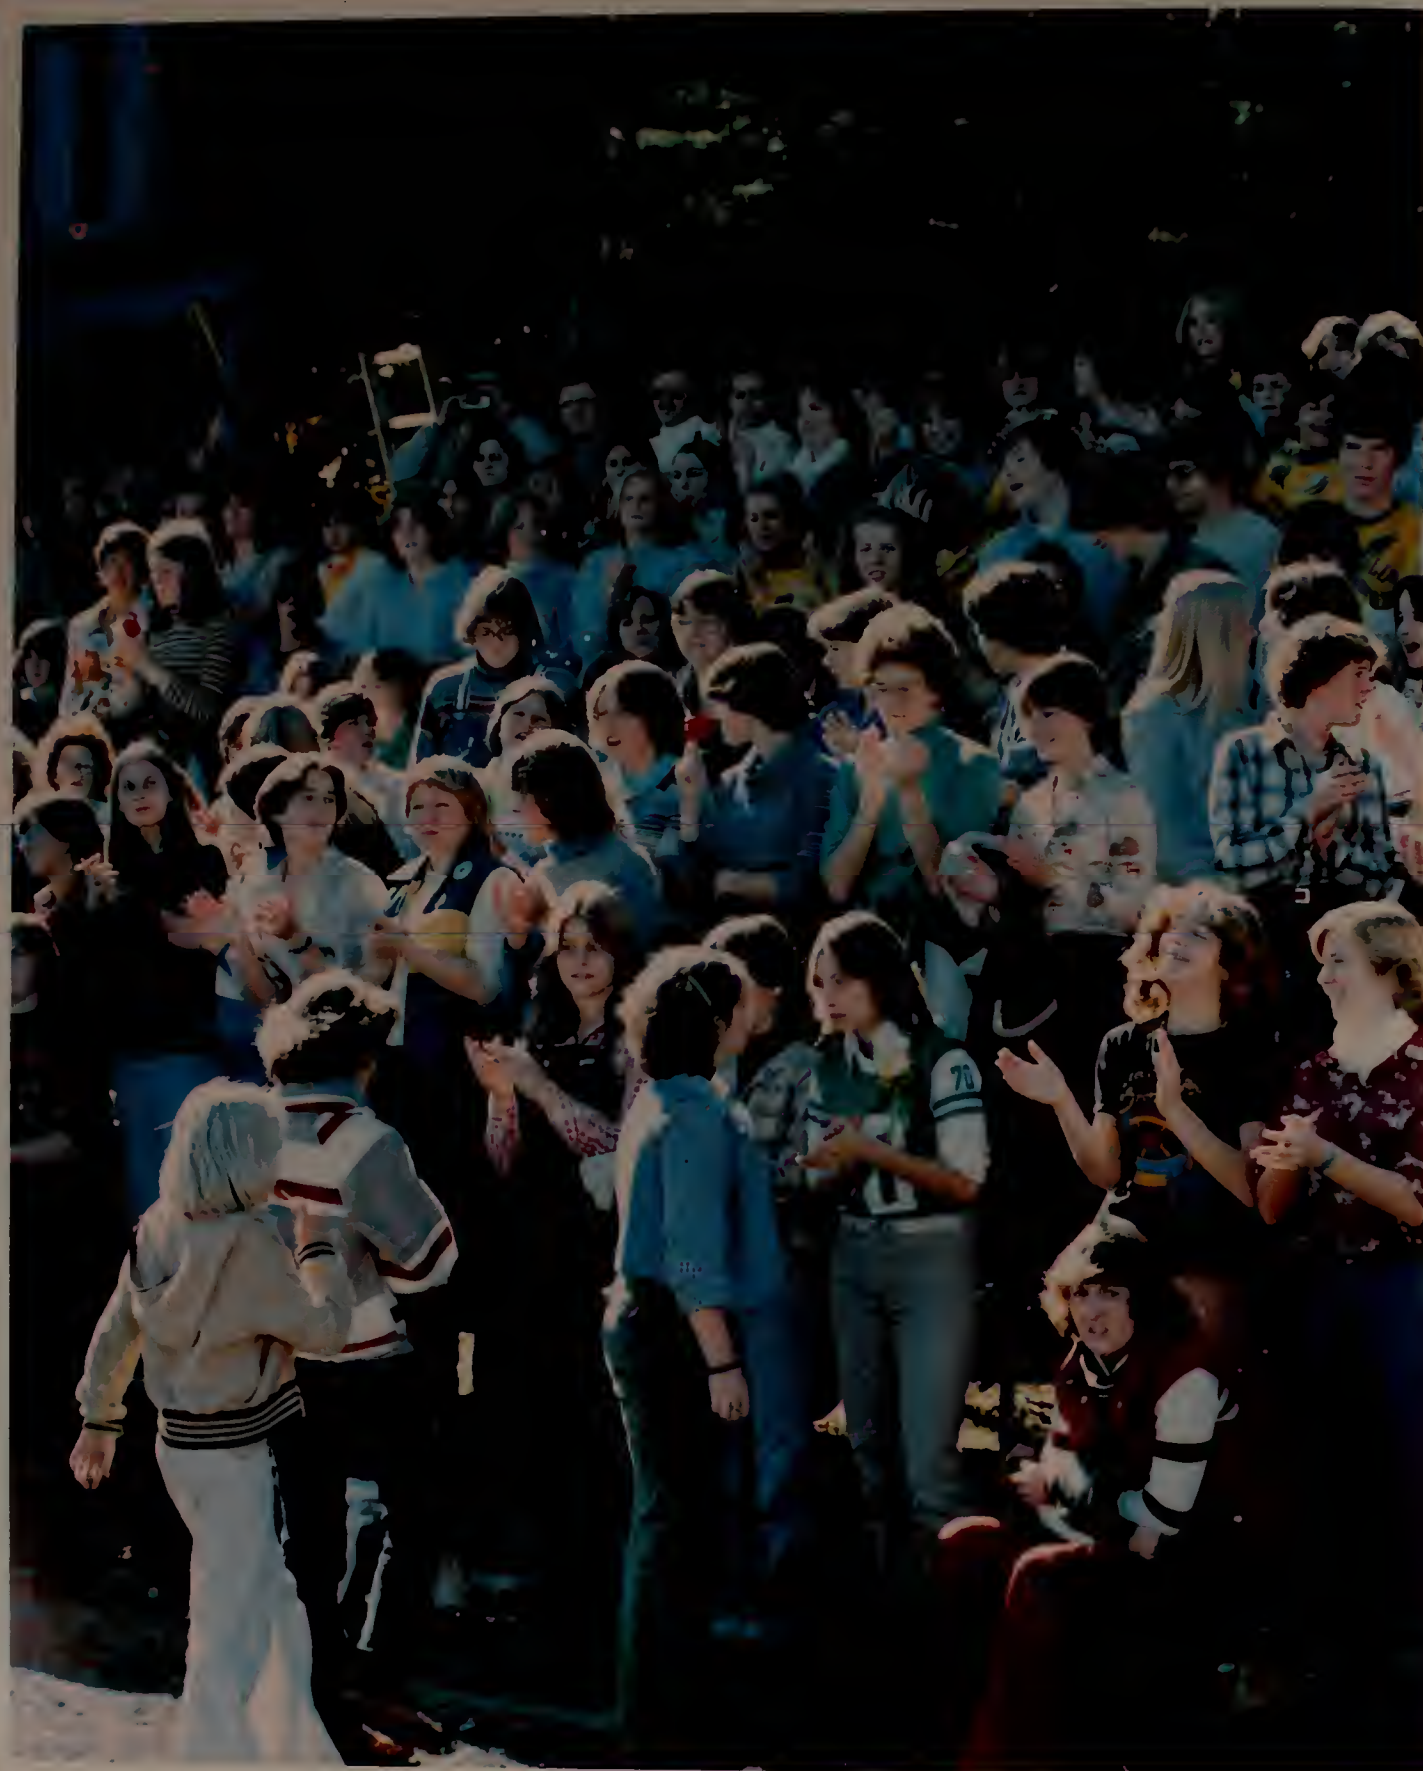

At approximately 11 o'clock on Saturday morning, an excited crowd gathered near and in Wrentham center. They were anxiously awaiting the sounds of the KP band, the grandeur of the color guard, and last, but probably most of all, the four fabulous class floats in their full glory.

Kickoff was at 1:30 and excitement was definitely in the air. A true sense of enthusiasm was felt from the ughs and groans

of the boys on the field to the sharps and flats of the band to the cheers and moans of the crowd. Though we lost the game on the field by a very narrow margin, all of the classes won the float competition. Only one class can officially win but, all classes should be proud of how well each and every float looked. Seniors really showed what Super Senior Spirit is all about by physically pulling their winning float around the track twice! The court consisted of the queen, Diana Rignanese, and princesses Barbara Holmes and Jane Smith.

TURKEY DAY GAME

The Thanksgiving Day game proved to be a success as the Warriors held the Franklin Panthers to a scoreless game. Queen Pam Sciaba, along with many chilled spectators, watched proudly as King Philip received the Turkey Day Trophy, and also as Bob Leverone received the distinction of being KP's Most Valuable Player.

CHRISTMAS DANCE

GREASER DAY

Greaser Day proved to be a success for all involved. During the day, a minority of brave souls paraded about the school bedecked in the clothes of yesteryear. The night of the dance, however, found everyone in the fifties spirit . . . right down to everyone doing the bunnyhop about the cafeteria.

**To point our lives in the direction we
choose**

To the Class of '79

The conclusion of a high school career is often viewed with growing apprehension and anxiety because soon each of you will begin proceeding independently in a world with many uncertainties. These shared concerns make the senior year one of increasing closeness among classmates as graduation approaches.

It also makes you realize that King Philip is much more than a district or a building; it is a friendly involved community of students and staff working together to assist you toward your next career goal and citizenship in the adult world. If you and we have accomplished our tasks you will discover, after the disquieting experience of breaking away from the secure world of the present, that you have the skills, knowledge and attitudes necessary to overcome the difficulties that will confront you and to enjoy the success you desire. Just as King Philip became a part of the Class of '79 so have the character of the Class of '79 become a part of the character of the school, forming its traditions and enhancing its stature. The Class of '79 will therefore always be a part of King Philip no matter where its members will pursue their individual careers.

I commend you for your achievements, thank you for your cooperation and, for all of us in the school system, wish you a future of health, happiness and success.

Very sincerely,

William J. Costa

As graduation draws near, most of us have started on a period of nostalgia. Whether it be a Saturday night party, the Thanksgiving dance, or a football game, each one of us has memories of the times we've spent as K.P. When we look back we must ask ourselves — have we reached our goals?; did we accomplish the things we would have like to accomplish? I think we have.

We've worked together as an example of true class spirit on Class Spirit Day, Homecoming, the Junior/Senior Basketball Game, the Senior Superlative Supper and other class events. With our determination and zest for life, we've made the Class of '79 unique.

Bernadette DiRe

In September, 1975, we, the Class of 1979, entered as freshmen into King Philip Regional High School. Although it may seem vague to us now, we did not enter in the same manner in which all other freshman classes had entered. Sure, we were timid, scared to death in fact-a common freshman symptom-but we were different. The Class of '79 was the first freshman class of the newly added King Philip. We started the year three weeks late!!!

That year, we immediately began work on our fantastic freshman float. It was built at **Mike Cook's** house in Sheldonville. Our class, under the leadership of our advisors, Mr. Haskins and Miss Vine, and class officers, **Tom Rose**-President, **Bernadette DiRe**-Vice President, **Susan Flynn**-Treasurer, and **Sally Vallee**-Secretary, put plenty of time into the float and other activities that year.

It was a good year, but it was terrific to climb a little higher up the ladder of seniority to our sophomore year. Our class officers this year: **Merry Crosby**-President, **Bernadette DiRe**-Vice President, **Susan Flynn**-Treasurer, and **Cindy Cook**-Secretary, kept our advisor, Miss Vine, really busy.

Even though it did not win, our float, which was built at **Donna Gallerani's** house, achieved great recognition for its artistic beauty--thank-you **Barb Less**. We raised money with our candy, T-shirt and bake sales. Our class was the first class to sell their own silk-screened T-shirts. With the help of Miss Newell, we designed and produced lively "Little Indian" T-shirts.

This year, we also had our first Powder Puff Football Game. The freshman and sophomore girls triumphed over the junior and senior girls. Our spirits soared when we realized that we had just set a precedent by clobbering the upperclassmen.

The Freshman/Sophomore Semi-Formal was a complete success. The queen, **Jane Smith**, and her court, **Cindy Cook**, **Merry Crosby**, **Debbie Newell** and **Susan Miller** presided over the festivities, as we danced to the music of Johnny Coco at Sandy's Restaurant.

By now, we were fast becoming accustomed to showing our class spirit at school functions and always got involved at football games, pep rallies, and dances.

Our junior year started right away when the building of yet another float. "When Foxboro Makes their Blunder, K.P.'ll Put 'em Six Feet Under!"--Morbid, but we had an excellent time building it at **Kevin Thompson's** house.

Mr. Schmidt and Mr. Haskins, our junior advisors, made sure the class officers: **Bernadette DiRe**-President, **Kevin Thompson**-Vice President, **Susan Flynn**-Treasurer, and **Cindy Cook**-Secretary, stayed in line while they planned the junior activities with the class council.

This year's Powder Puff Game was our second victory. The juniors and seniors really beat on the freshmen and sophomores, as the sexiest cheerleaders in town showed their spirit on the sidelines.

Our Valentine's Day Carnation Sale also brightened up the year. The Junior/Senior Basketball Game, (a defeat which we'll try to forget), gym nights, and the Fabulous Fifties Dance helped to raise money for the Junior/Senior Prom.

The Prom was a smash at the Venus de Milo in Swansea. Philadelphia Magic was the band and played well all evening long. The juniors in the court were **Cindy Cook** and **Jane Smith**.

We loved every minute of it, yet rowdily moved on to our SENIOR year.

Senior year--WOW!!! We finally made it. And we were finally victorious at the float competition--our slogan, "Canton Bulldogs Will Regret When They Become K.P.'s Pet" really clinched it for us. After "working" for three weeks at **Mary Norton's** house, we put the whole thing together in two days! With our class officers: **Bernadette DiRe**-President, **Bruce Kinlin**-Vice President, **Susan Flynn**-Treasurer, and **Aubrey Steinbauer**-Secretary, and our advisor, Mr. Schmidt, we worked hard and were proud to receive the well-deserved silver cup.

With the help of the three other classes, we staged one of the most successful dances at K.P.--the Homecoming Dance. The band, Eternity, excelled for an evening of fun. Any senior from English IV will never forget the following week's trip to Boston to see "A Midsummer Night's Dream" and dinner at Mac's.

November was one of the busiest months for us. First, the seniors ruled at the Junior/Senior Basketball Game, which was sponsored by the Prom Committee. The halftime events captivated the audience. The tug-o-war, pie throwing, egg throwing, dress-up-relay race and foul shooting contests raised everyone's spirits.

Then, we held our Senior Superlative Supper. Everyone came through with great food and munchies for this pot luck dinner.

Finally, the Prom Committee held the Thanksgiving Dance. There weren't many K.P.'ers that stayed home that snowy night. Most of us were dancing to the tunes of Flyer in the cafeteria.

Our other senior year events included: the Santa and Group escapades, the 50's dance, the Carnation Sale, still more candy sales and the Prom.

Finally in June 1979, we passed through the hallowed halls of K.P. for the last time.

SPECIAL THANKS TO:

Larry DeSantos for his guidance and care.

Mike + Mike for putting up with our unique photographic requests.

Mrs. Santsaver for identifying all those vocational pictures.

Mr. Keimach for getting us all those illegal Pepsi's (our secret is safe, right?)

Fred E. for his help in our times of need.

Anthony for just being around—naturally.

Student Council for letting us share their area in the media center (rubbing alcohol removes India Ink from pile carpet).

Mrs. Fagan for not murdering a couple of kids who literally drove her to distraction. Thanks for putting up with us, we needed you.

You for taking the time to read this page and, hopefully, all of the other 227 pages.

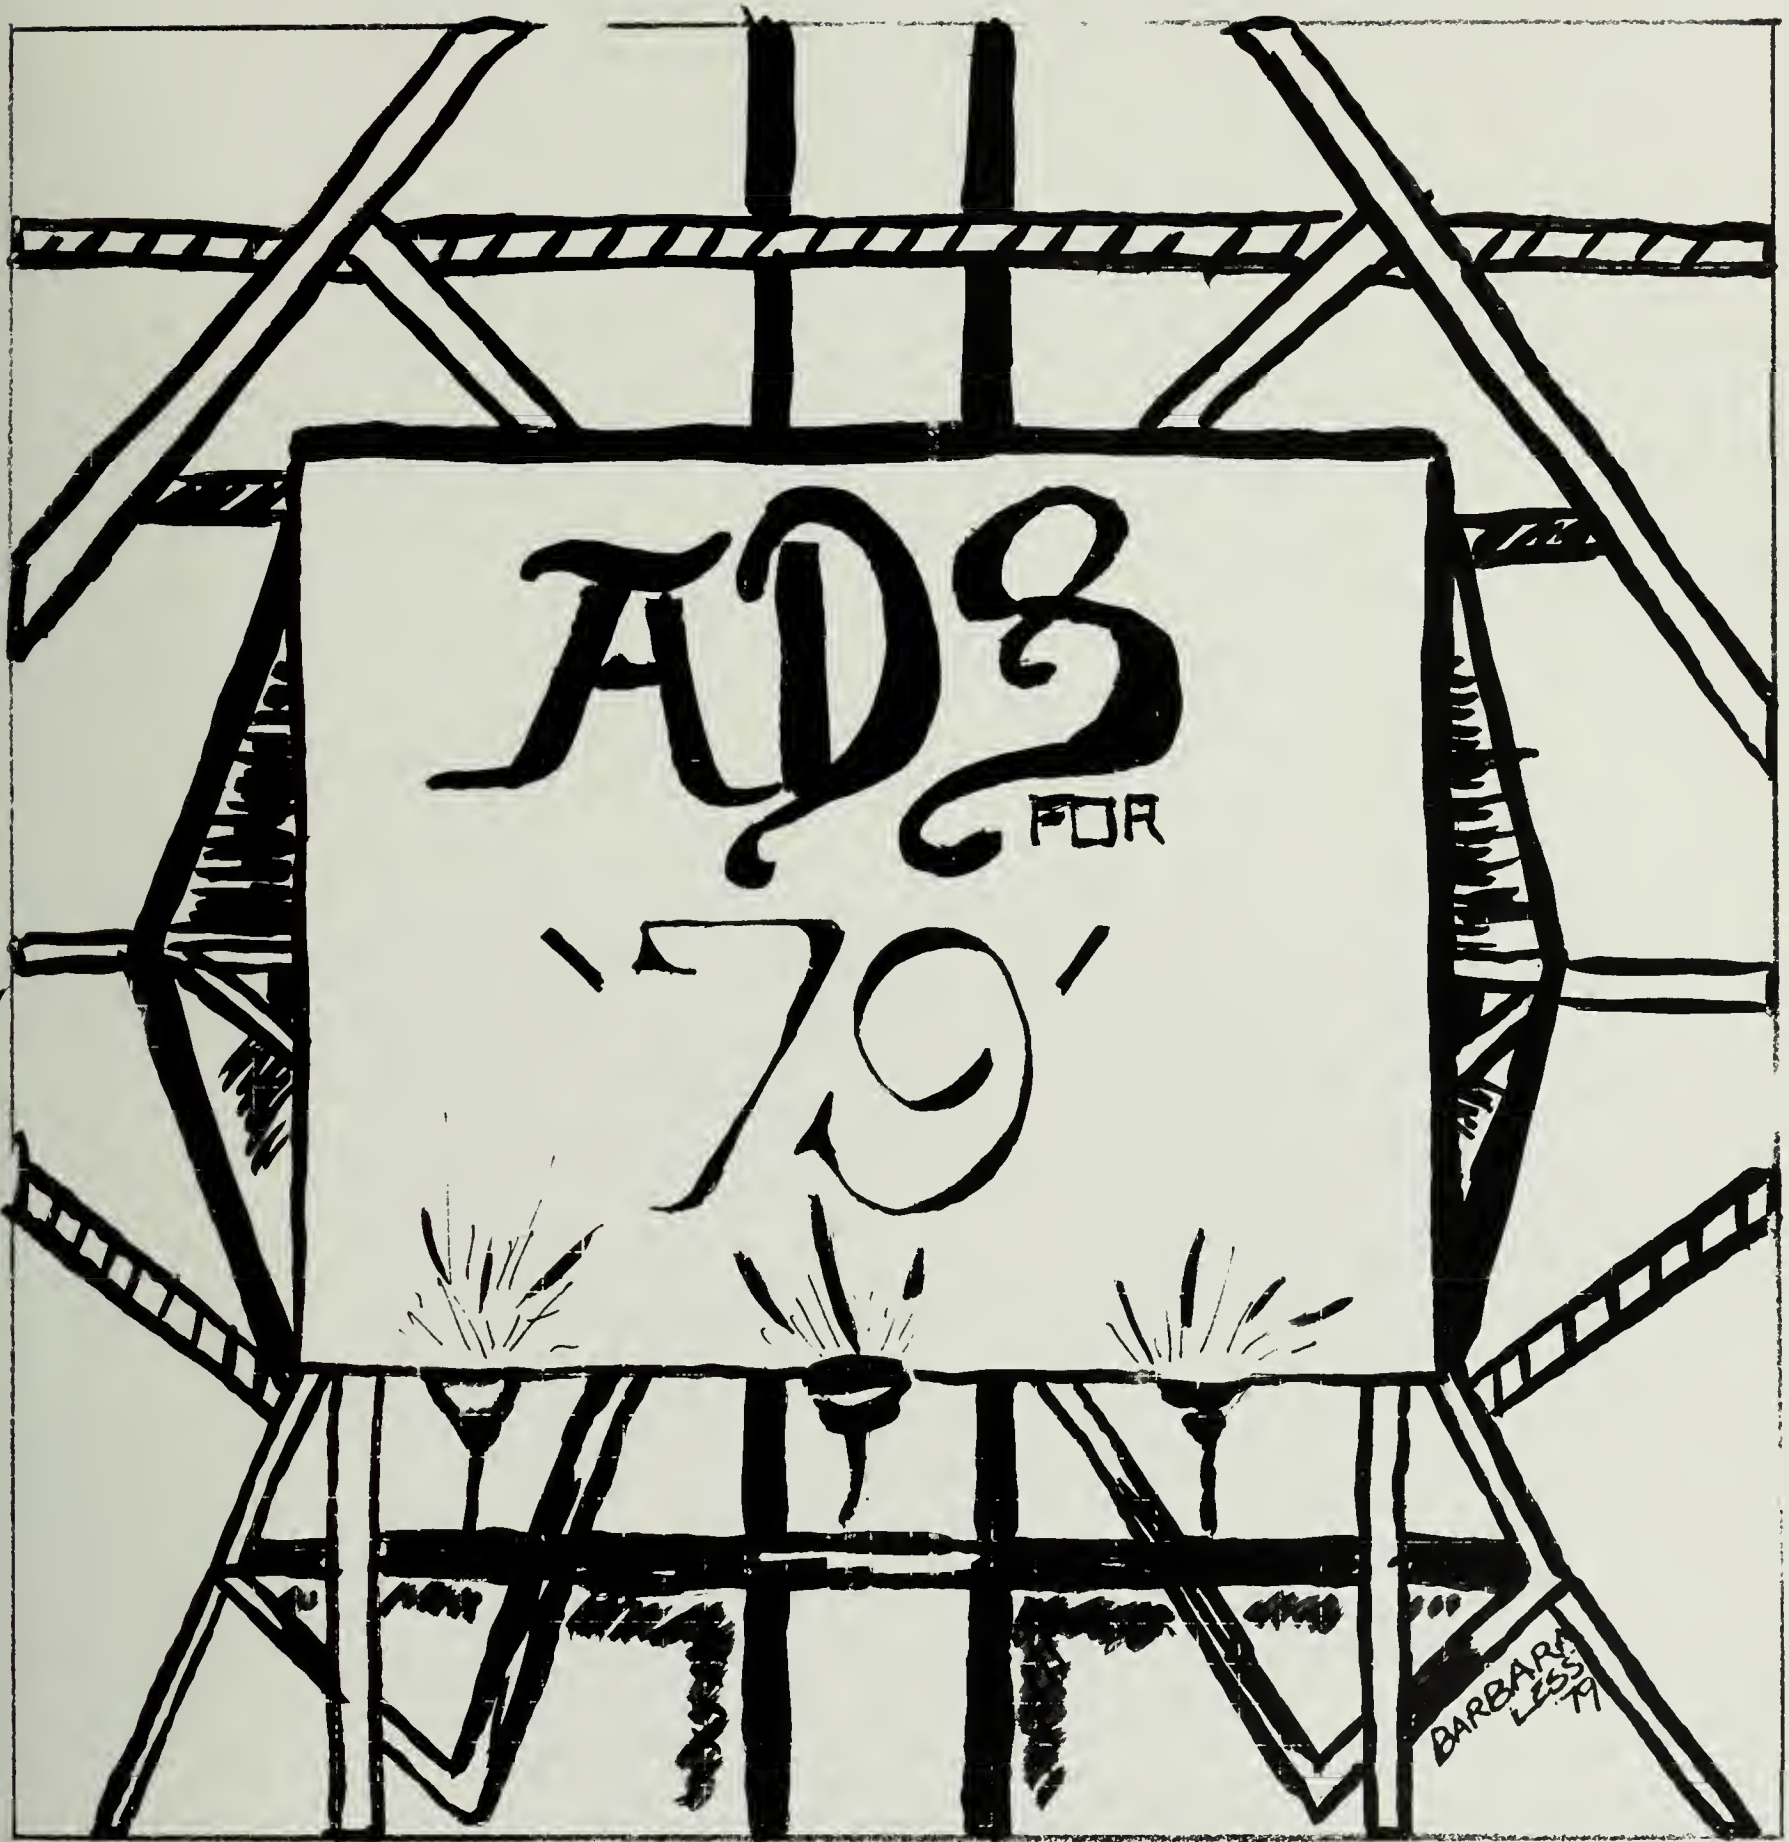

In closing, we would like to say that we sincerely hope you appreciate this book. Lots of long, tedious, and often painful hours went into putting it together. And for what reason? A very good question. We received no fame, glory, money, letters, jackets, prizes, or even brownie points for doing it. We did, however, receive insults, complaints, and general aggravation. But, if this book makes you smile, warms the cockles of your heart, or rekindles a fond memory from 1979, it makes the whole thing worthwhile. Much luck in your travels. May they take you far and where you want to go.

MEN—WOMEN

How to build an \$8100 education fund in just three years:

It's easier than you think under the Veterans' Educational Assistance Program.

If you join the Army and save between \$50 and \$75 a month from your pay, your contribution will be matched \$2 for \$1.

In three years, that could add up to as much as \$8100 available for college or vocational-technical school after you leave the Army.

Even if you change your mind about your future education, you get back every dollar you put in.

There's no better way to build a nest egg for your future—while serving your country.

Good Luck Jennifer!**

We really did plan on a terrific book. However, our progress was impeded by a few individuals who would rather have had their own personal photos of themselves than to have us use them in the book. Unfortunately, this really hindered us and we hope it will not cause complaints about the quality or quantity of photos we used.
